RE: San Francisco

Attached is a copy of a signature petition prepared by Dobbs and Nielson of San Francisco and a draft questionnaire prepared by V. Lance Tarrance and Associates.

The petition has been reviewed and approved by Covington and Burling and Shook, Hardy and Bacon. The signatures will be obtained by Tom Bader of Bader and Associates. It is anticipated that Mr. Bader can be on the streets gathering signatures as early as Saturday, June 11th.

We are hopeful that the survey conducted by Tarrance and Associates can begin no later than Wednesday, June 15th. We must have your review and comments no later than 5 p.m. Monday, June 13th in order to meet this schedule.

Please feel free to contact me or Hurst Marshall if you have any comments or questions.
